## Beaverton Family Medicine

### *Assignment of Benefits Form*

#### **Financial Responsibility:**

All professional services rendered are charged to the patient and are due at the time of service, unless other arrangements have been made in advance with our business office. Necessary forms will be completed to file for insurance carrier payments. As a courtesy we will bill third party payers (such as auto insurance related to motor vehicle accidents) when provided with complete insurance information at time of service. Balances for third party claims are subject to the same payment terms as other services received at Beaverton Family Medicine. If you are unable to pay within 30days of receiving service please contact our office to set up a payment plan. Accounts may be assigned to an outside collection agency and reported to the credit bureaus when the personal balance is over 120days old and/or payment plan payments are missed. Patients whose account has been assigned to outside collections are responsible for all agency and/or legal fees incurred. Thereafter future services are on a cash basis with no extension of credit and may also be subject to dismissal.

#### **Additional Fees:**

1.5% monthly finance charge added to accounts with personal balance over 60days

\$40 No Show. Added to account when the patient does not keep a scheduled appointment and doesn't cancel prior to appointment time.

\$25 Returned Check. Added to accounts for which check payment is not honored by the bank.

\$50 Collection. Added to accounts assigned to an outside collection agency

#### **Assignment of Benefits:**

I hereby assign all medical and surgical benefits, to include major medical benefits to which I am entitled. I hereby authorize and direct my insurance carrier(s), including Medicare, private insurance, and any other health/medical plan, to issue payment checks directly to **Beaverton Family Medicine** for medical services rendered to myself and/or my dependents regardless of my insurance benefits, if any. I understand that I am responsible for any amount not covered by insurance. Please contact your insurance company directly to discuss your specific benefits and/or limitations. We are happy to assist whenever possible regarding general insurance benefit questions. We cannot quote nor do we guarantee insurance benefits.

#### **Authorization to Release Information:**

I hereby authorize **Beaverton Family Medicine** to:

1. Release any information to necessary insurance carriers regarding my illness and treatments
2. Process insurance claims generated in the course of examination and treatment
3. Allow a photocopy of my signature to be used to process insurance claims for the period of lifetime.

This order will remain in effect until revoked by me in writing.

I have requested medical services from **Beaverton Family Medicine** on behalf of myself and/or my dependents, and understand that by making this request, I become fully financially responsible for any and all charges incurred in the course of the treatment authorized.

I further understand that fees are due and payable at the date that services are rendered and agree to pay all such charges incurred in full immediately upon presentation of the appropriate statement. A photocopy of this assignment is to be considered as valid as the original.
